

**Attention all club members.**  
**IRB Crewman`s course Expressions Of Interest**

In the next few weeks, both Daniel Wood and I will be running an IRB Crewman`s course.

You must hold your bronze medallion to undertake the crewman`s course. The course will be limited to 20 participants and will consist of one theory evening on Tuesday 26<sup>th</sup> November 13 at 7 pm, then two Saturday mornings of practical training from 8 am to 11 am over two weekends being the 30<sup>th</sup> November and 7<sup>th</sup> December including further practice if required and then the exam day.

The exam date will be planned for either the Saturday 7<sup>th</sup> Dec or the 14<sup>th</sup> December at 8am depending upon the availability of the assessor.

**Please note** these dates may change if the exam is bought forward and therefore a weekday afternoon session at 5.30 pm will be held in its place. We`ll confirm these dates before the course commences.

We can be slightly flexible with attendance but an agreement must be made with Daniel or myself prior.

This course is a prerequisite for doing the IRB Drivers course.

I guarantee this will be one of the best courses along with the IRB Drivers course that you`ll ever do in surf lifesaving. Hold me to my word.
